WELCOME NEW MEMBERS

Welcome to Naples Cheer Revolution! We look forward to the opportunity to meet you and your family and hopefully have a positive impact upon your children and your family! At Naples Cheer Revolution our mission is to provide exceptional training to our athletes through positive coaching techniques and measurable objectives, focusing on each individual athlete and their development in the sport. Cheerleading is a sport that holds many positive benefits to all participants. We take a holistic approach in getting to know each one of our athletes both on and off the mat. We are looking forward to an AMAZING entry season for Naples Cheer Revolution!

NAPLES CHEER REVOLUTION – ALL-STAR CHEER TEAM POLICIES

Teams Placement are put together by athletes that are well rounded. We understand that sometimes younger athletes are placed on older teams due to their stunting position, but we do our best to limit that as much as possible. By grouping athletes by age, we can better ensure their emotional and social growth. We will be looking at tumbling ability, stunting ability, dance technique and overall performance.

Cross-Team Option is available. If you want your athlete to be considered for a cross-team athlete (competing on 2 different teams in 1 season), please answer yes on the try-out form. Crossover competition fees would need to be paid. Answering yes DOES NOT guarantee placement on two teams.

Tumbling * The tumbling classes are MANDATORY as it is included in your athletes practice time. For Example, if your athletes practice time is from 5:00 -7:30 pm They are required to stay for the entirety of the practice. There will be extra tumbling classes offered that are NOT included in tuition but offered at a discounted rate to an athlete that is on a current team, in the gym.

* Please refer to the website www.naplescheerrevolution.com for the tumbling schedules.
